Sir:

Responsive to office letter dated February 4, 2005, kindly amend as follows:

Cancel claims 7 and 8, without prejudice, substituting therefor newly presented claims 9 and 10.

#### REMARKS

The newly cited references have been carefully considered, and it is respectfully submitted that newly presented claims 9 and 10 are directed to subject matter clearly allowable thereover. Claims 9 and 10 are based upon canceled claims 7 and 8, and are believed to avoid formal objections made by Examiner in the above action.

Examiner's comments relative to the two abstracts submitted are noted. The second abstract submitted in January does, in fact, relate to another application, and Examiner is requested to remove the same from the file of this application.
